If the entry in column 1 is less than the entry in column 2, enter "0" in column 3.
 If the "Highest Number Previously Paid For" (37 CFR 1.16(b)) is less than 20, enter 20.
 If the "Highest Number Previously Paid For" (37 CFR 1.16(b)) is less than 3, enter 3.
 The "Highest Number Previously Paid For" (37 CFR 1.16(b)) is the highest number of claims previously paid for in the same application or in a divisional application of the same application.
 This collection of rules is intended to provide a uniform method for determining the fee to be paid for an amendment to a patent application.
 The fee for an amendment to a patent application is determined by the number of claims in the amendment that are independent of the claims in the original application or in a divisional application of the same application.
 The fee for an amendment to a patent application is determined by the number of claims in the amendment that are independent of the claims in the original application or in a divisional application of the same application.
 The fee for an amendment to a patent application is determined by the number of claims in the amendment that are independent of the claims in the original application or in a divisional application of the same application.
